Former State Senator Dede Alpert and State Assemblymember Lori Saldaña today threw their support to Dave Jones, Democratic candidate for California Insurance Commissioner.

Former Senator Alpert stated, "San Diego residents who have been through horrendous wildfires over the past few years, understand that we need an Insurance Commissioner who is a champion for consumers. Dave Jones will stand up to the big insurance companies and make sure that they fulfill their commitments to their policy holders."

"I am very impressed with Dave Jones's Green Insurance legislation," said Assemblymember Lori Saldaña. "Jones' proposals establish environmental standards in the insurance industry and provide incentives for offering green insurance and making green investments. That is the kind of innovative and progressive leadership California needs."

"Dede Alpert and Lori Saldaña are two creative and savvy leaders with a proven history of effective progressive leadership," responded Jones. "I have long admired their leadership on many issues, particularly education and the environment. I am truly honored to have their support."

Dede Alpert represented San Diego in state legislature from 1991 to 2004 serving three terms in the State Assembly and two terms in the State Senate. Lori Saldaña is currently serving her third term in the state Assembly.
